MEDICAL BILLING

## CROSSCODING - UNLOCKING THE CODE TO MEDICAL BILLING IN DENTISTRY

Increase your case acceptance and production by successfully obtaining medical reimbursement for obstructive sleep apnea, TMD, implants/oral surgery, extractions, and related radiographs and exams!

Taught by renowned crosscoding pioneer Rose Nierman, this course has helped thousands set their dental practice up to receive medical reimbursement for a multitude of services.

Get updated on ICD-10 codes, and the latest changes in medical insurance & medicare. Hands-on training & claim form games will keep you engaged.

Optional CrossCoding or DentalWriter™ software training the day after the course
